REMARKS

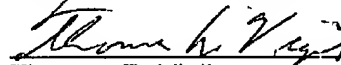

In response to the Examiner's objections to the previously presented amendment, applicant, by this amendment, is cancelling redundant claims 30 and 33 and submitting a new Supplemental Declaration in a format desired by the Office;

Applicants submit that upon entering the amendment to the claims and the Supplemental Declaration in the file wrapper, the application now will be in condition for allowance.

Applicant submits that the previously filed amendment was a bona fide attempt to place the application in condition for allowance. In view of this fact, applicant submits that no request for extension of time is required and no finds that such a request is necessary, than applicant requests such extension and asks that any fee required be charged to Deposit Account No. 504041.

An earnest endeavor has been made to place this applicant in condition for allowance and an early and favorable action to that end is requested.

Respectfully submitted,

Thomas R. Vigil
